Mediasurface PLC

Contract Win

Mediasurface, the fast growing content management solution provider, today announces that the Foreign & Commonwealth Office ("FCO") has purchased Morello in a deal worth £1.47m. The 5-year agreement includes a Mediasurface Morello licence, ongoing support, training and consultancy services. Approximately £1.0m will be recognised in this financial year.

The project aims to make significant efficiency savings for the FCO by delivering its entire web presence from a single Morello content management platform.

The Foreign and Commonwealth Office works for UK interests throughout the world and employs 16,000 staff based both in the UK and in an overseas network of diplomatic offices. The website project will join up all FCO's websites to create efficiencies by sharing content, collaboration of online services and the day to day management of sites which publish content in 44 different languages.

The contract builds on a considerable foundation of success for Mediasurface in UK Central Government, adding to a list of clients including Home Office, Office of Fair Trading, Department for Transport, DCLG and many others.

About Mediasurface

Mediasurface (UK, AIM: MSR) develops, markets and implements Web Content Management (WCM) software that help businesses take full advantage of the capabilities of the web by transforming the complex task of managing websites into straightforward activities.

Its flagship product Morello has changed the face of content management and is used to power sophisticated intranets, extranets, websites and other digital channels for enterprise clients such as The Home Office, Citigroup, AEGON and Worldwide Wrestling Entertainment who delight in using it.

Pepperio is a one-stop-shop package for SME's exclusively offered by Mediasurface's network of accredited Pepperio partners, allowing smaller businesses to easily run a professionally designed website for a low fixed monthly fee.

Mediasurface operates through wholly owned subsidiaries and partners across Europe, USA and AsiaPacific.

The company's HQ is Mediasurface House, Newbury Business Park, London Road, Newbury, Berkshire, RG14 2QA, UK, +44 (0)1635 262000. www.mediasurface.com
